Forward from the Prince George's County LGBTQ Task Force:

Our group convened with one chief objective: to make life better for LGBTQ youth in Prince George's County, Maryland. With that objective in mind, we have prepared the following guide of resources available to LGBTQ youth in the Prince George's/DC Metro Area. As we conducted the research for this guide, we were disappointed to find that there are very few resources for LGBTQ individuals in Prince George's County. As a result, we expanded our findings to DC and surrounding counties. As individuals begin to grow and learn more about the needs of LGBTQ youth, we are hopeful that more resources will be available in the future.
