PODCASTS

"RED X PODCAST: ENDING HUMAN TRAFFICKING AND MODERN SLAVERY"

Quarterly podcast striving to raise awareness of human trafficking in North America and empower everyday people to work with their local municipalities to create a safe place for citizens, a hostile environment for criminals, and a second chance for survivors.

"IN PLAIN SIGHT: PODCAST TO END HUMAN TRAFFICKING"

Episodes feature engaging interviews with noted leaders in the anti-trafficking movement – men and women committed to ending all forms of human trafficking in our world – sex trafficking, labor trafficking, and organ trafficking

THE "STOP" APP

This app allows anyone to report suspicious activity that may be related to human trafficking anonymously and securely. All data is then fed into the "Stop The Traffik" database, analyzed along other trafficking and modern slavery datasets, and then sent to the proper authorities to target a response.

"TRAFFICKCAM" APP

Through this app, users upload pictures and locations of their hotel rooms. Law enforcement agencies can then check adverts featuring suspected trafficking victims in hotel rooms against TraffickCam's database of photos. The app boasts an 85% success rate, and is used by the FBI.

"TRUCKERS AGAINST TRAFFICKING" APP

This app aims to educate, equip, empower, and mobilize truckers/others in the travel industry to combat domestic sex trafficking by learning how to identify and report instances of human trafficking. This organization also aims to create a nationwide network for reporting trafficking on travel routes.

"BAN HUMAN TRAFFICKING!" APP

With this interactive game, users get acquainted with different types/stages of trafficking in humans, from recruitment, exploitation and escape, down to recovery, social reintegration, and struggle to exercising rights. The goal is for users to recognize similar situations, and protect themselves and others.
